Meet your **Life Skills Teacher**...

I am originally from Montreal, Canada. After teaching English around the world, e.g. Taipei, Osaka, Brooklyn, I re-joined ISD six years ago.

I hold a Bachelor's degree from McGill University in Teaching English as a Second Language and obtained my Master's degree in Education from Brock University.

At ISD, I currently teach grade 6 Life Skills as well as EAL English and Humanities in grades 6, 7 and 10. Besides their academic progress, I care greatly about the social well-being of my students.
