MISSION

- **We inspire** our students to be confident, creative and critical thinkers.
- **We work together** to challenge and support our students to be successful and responsible in an evolving world.
- **We are** an international community of learners.

THE SCHOOL

Founded in 1968, ISD is an independent, non-profit, higher education preparatory school that serves the educational needs of the international community in and around Düsseldorf. ISD has approximately 950 students enrolled from Reception–Grade 12. Nearly 600 students representing 46 nationalities are enrolled in the Senior School (Gr. 6–12), with Germany (26%), U.S.A. (13%), Japan (9%), China (6%) and the UK (5%) comprising the five largest groups. **The primary language of instruction is English.**

FACULTY

The ISD Senior School faculty consists of 93 teachers representing 18 nationalities. 47 hold Master degrees or the equivalent, and 3 hold PhDs. The student-faculty ratio is 7 to 1 with an average class size of 15.

CURRICULUM

ISD is an IB World School offering all three International Baccalaureate programmes: Primary Years Programme (Reception–Gr. 5), Middle Years Programme (Gr. 6–10) and Diploma Programme (Gr. 11–12). Students in grades 9–12 follow a higher education preparatory programme leading to the award of the CIS/NEASC-accredited ISD High School Diploma. In addition, students may choose to complete up to six individual DP Courses (Certificates) or the full IB Diploma in grades 11 & 12.

ENGLISH AS AN ADDITIONAL LANGUAGE (EAL)

EAL students typically spend three semesters in the EAL programme while attending mainstream mathematics and science classes at grade level. After completing the EAL programme, students must attend mainstream classes for one full year in order to graduate. EAL classes are not offered in grades 11 & 12, however, EAL specialists teach the DP English B HL/SL courses and provide targeted individual student support as needed.

DISCIPLINE REPORTING POLICY

At ISD, we believe that error leads to learning. As such, we strongly encourage students to report any serious disciplinary infractions when required on a higher education application. Except in the case of expulsions, serious disciplinary infractions are always accompanied by elements of restitution to the community and we consider such penalties to be "spent" by the time of graduation.

IMPACT OF COVID 19 ON TEACHING & LEARNING IN 2019-2020

ISD moved to a fully remote learning model from March 18th to May 8th, with a pause for Spring Break from April 6th-17th. ISD reopened partially on May 11th, when students returned to campus on a rotating basis, by grade level. During the remote/blended learning phase, we adjusted our reporting model to only include assessment evidence that confirmed or improved academic achievement to ensure that no students were negatively impacted by the school closure. ISD began the **2020-2021** school year fully open, with strict hygiene regulations in place for face-to-face teaching and learning.

EVALUATION & ASSESSMENT

ISD conforms to the IB Diploma Programme system with grades ranging from 7 (high) to 1 (low). In grades 9 & 10, we formally report achievement once per year (June). In grades 11 & 12, we formally report achievement twice per year (January & June). The January grade indicates progress until December, while the June grade indicates achievement for the academic year. Achievement is summarized on the ISD Senior School Transcript.

- ISD calculates GPA on a 7.0 scale using ISD coursework only.
- ISD does not weight DP HL or SL courses; However, **we consider all DP courses to be honours level**, particularly at HL.
- Due to the mobility of our students and the diversity of their educational backgrounds, it is difficult to provide an accurate or fair class rank.
- Consistent with our educational philosophy and focus on student learning, ISD discontinued giving academic awards at the start of the 2017-2018 school year.**

THE IB DIPLOMA PROGRAMME (DP) AT ISD

The IB Diploma is an academically challenging and balanced two-year programme of education that seeks to develop students who have excellent breadth and depth of knowledge. The curriculum addresses the intellectual, social, emotional and physical well-being of students, preparing them for success in higher education and life beyond.

The DP organizes teaching and learning through six subject groups: Studies in Language & Literature; Language Acquisition; Individuals & Societies; Sciences; Mathematics; The Arts. These are underpinned by the DP Core (Theory of Knowledge, Extended Essay, and Creativity | Activity | Service). For most DP courses, students complete externally assessed coursework and then sit written exams at the end of the two-year programme.

To be awarded the IB Diploma, a student must earn a minimum of 24 points in their three HL and three SL subjects. Students who do not pursue the full IB Diploma but complete the externally assessed coursework and sit the written exams will earn individual DP Certificates for each successfully completed course.

IB DIPLOMA PROGRAMME (DP) MEAN SCORES | CLASS OF 2020
